EDITOR'S NOTE: Update – read about the event [here](#).

On Aug. 19-20, Dixie Chopper will be attempting to set a Guinness World Record for most acreage mowed by an individual in 24 hours, using a Dixie Chopper 2015 XCaliber.

This will take place at the Molly Caren Agricultural Center in London, Ohio. The record attempt will start during the afternoon of Aug. 19 and finish during the afternoon of August 20. There will be giveaways and corn hole games taking place during the record attempt.

Following the record attempt, there will be a brief Q&A session, an opportunity to take pictures of the mower used, and a complimentary lunch at the Molly Caren Agricultural Center.

Attendees are asked to RSVP by Friday, Aug. 15 at 5 p.m. EST. To RSVP, contact Sierra Kennedy via email at [skennedy@dixiechopper.com](mailto:skennedy@dixiechopper.com) or by phone at 765-246-7737, ext. 256.
