OCALA, Fla. – [Ecologel Solutions](#), based here, recently added Seann Correll and Robert Wilson to its team as regional sales managers. Correll and Wilson are responsible for driving sales in their respective territories by supporting local distributors and educating end users on Ecologel products. They will also play a key role in supporting local members of Ecologel's Hydretain Advantage Program.

Correll, Northeast Regional Sales Manager, will be representing Ecologel in New England and the Mid-Atlantic States. He is a Pennsylvania native who earned his bachelor's degree in Turfgrass Science from Penn State University. He has five years of experience as an Assistant Superintendent and eight years as a Golf Sales Representative.

Wilson, the new South Central Regional Sales Manager, will be representing Ecologel in Texas, New Mexico, Oklahoma, Arkansas and Louisiana. He earned his bachelor's degree in Turfgrass Science from The Ohio State University and has spent the last five years as a distributor sales representative in the Dallas-Fort Worth area.
