

FMC Announces Dismiss Herbicide Instant Rebate Promotion

Source: www.TurfMagazine.com

PHILADELPHIA, Pa. – By purchasing now through Aug. 15, 2015, turf professionals can receive instant rebates on Dismiss South, Dismiss CA and both sizes of Dismiss, [FMC](#) announced. The savings include:

- \$12.50 instant rebate on each half-gallon jug of Dismiss Turf Herbicide
- \$10 instant rebate on each pint of Dismiss South Herbicide
- \$5 instant rebate on each 6-ounce jug of Dismiss CA Turf Herbicide
- \$5 instant rebate on each 6-ounce jug of Dismiss Turf Herbicide

Dismiss herbicide controls yellow nutsedge and green kyllinga in warm- and cool-season turf. It attacks sedges at the surface for quick visible control, while also controlling tubers. This dual-action helps prevent future sedge outbreaks and the need for retreats.

For turf managers fighting purple nutsedge, Dismiss South herbicide achieves fast, effective results against purple nutsedge, yellow nutsedge and green kyllinga in warm-season turf.

Registered for use in California and Arizona, Dismiss CA Turf Herbicide delivers fast, visible control of sedges like yellow nutsedge, purple nutsedge and green kyllinga, as well as a significant reduction in new sedge populations.
