LCOs and landscape professionals will have an opportunity to upgrade their GIE+EXPO 2011 registration to include eight live hardscape installation demonstrations, as well as a workshop on adding hardscape installation to their services.

For a \$25 upgrade fee, professionals can learn how to: install segmental retaining walls; install interlocking concrete pavers; add low-voltage lighting to hardscape projects; install permeable interlocking concrete pavement; construct water features; install steps, columns and seat walls; build an outdoor room; and clean and seal concrete pavers.

For a \$50 upgrade fee, professionals attending GIE+EXPO can learn about "Adding Hardscape Installation to Your Company's Success" in a classroom setting. This upgrade includes admission to the eight hardscape demonstrations.
