On any given day, more than 6,000 men, women and children are searching the Be The Match Registry for a life-saving donor. These patients have leukemia, lymphoma or another life-threatening disease that can only be treated by a bone marrow or cord blood transplant.

Jacks Small Engines is an online leader for outdoor power equipment and has most recently been awarded a ranked spot in the 2011 Internet Retailer Guide for online annual web sales. Jacks Small Engines has been a pioneer on the web since 1997 for outdoor power equipment items including small engines, tractor parts, chain saws and most recently launched a new site [www.snowblowersatjacks.com](http://www.snowblowersatjacks.com).

Jacks Small Engines ([www.jackssmallengines.com](http://www.jackssmallengines.com)) is excited to announce that we have partnered with Be The Match and will be holding a Bone Marrow Registry Drive in conjunction with our Annual Open House on March 31, 2012. The Marrow Registry Drive will be between the hours of 9 am to 2 pm.

For many of these patients, a transplant may be the best and only hope of a cure. By supporting Team Jacks Small Engines you can make a difference in the lives of many. It costs approximately \$100 to add each new member to the registry. We are committed to raising funds so that we can keep adding new members. Your gift will help save a life!

Below you will find the link to support our Jacks Small Engines team. Select "Click here to visit our personal TEAM page" and you'll be able to make a contribution from there.

Together we are truly making a difference in the lives of the thousands of men, women and children in need of a life-saving transplant. Your tax-deductible gift will make a difference in the lives of many!

We need your help! We have joined Team Be The Match in order to raise funds to add more members to the Be The Match Registry~.

Thank you for supporting Team Jacks Small Engines, and most importantly for supporting the patients who rely on Be The Match~ for a second chance at life!
