### Cub Cadet

The FML72 rear finish mower features an 8-gauge deck housing and reinforcement plate under the spindle assembly. It has a range of cutting heights from 1 to 5 inches. The rear discharge helps disperse cuttings cleanly and evenly. Four durable, composite rubber caster wheels give a level cut.

### Kesmac

Transportable reel mowers with single-point reel adjustment come in five, seven, nine and 11-gang configurations and can mow up to 160 acres a day. They feature fingertip hydraulic controls, quick mower height adjustments from .5 to 3.25 inches and high flotation for reduced compaction.

#### Befco

Cyclone Flex and Super-Flex gang finishing mowers come in working widths of 12, 15, 17 and 20 feet, with mowing heights from 1 to 5 inches.

---

#### Gravely Turf

TRM Series reel mowers come with a three, five or seven-gang mowing head. Rated for 15 to 35 hp tractors, they come in 83, 138 and 192-inch cutting widths.

---

#### John Deere

The Frontier GM30 Series grooming mower features a floating hitch, high blade tip speed, precise blade overlap, tapered deck design and 25 to 35 hp gearbox.

---

#### Kunz Engineering

AcrEase rough cut mowers, in 44 and 57-inch models, are powered by engines ranging from 17.5 to 23 hp and feature a four-tire design and twin blades.

---

#### Land Pride

AFM42 Series All-Flex Grooming Mowers are available in 14 and 16-foot-8-inch cutting widths. Three wing decks discharge clippings away from the rear deck.

---

#### New Holland

The 300 Series rear-mount finishing mowers have a floating deck, safety chains and cutter blades made from special steel to provide high suction for grass lifting.

---

#### ProMow

Gold Series gang reel mowers come in widths from 4 feet 10 inches to 11 feet 4 inches, mow up to 5 acres per hour and have cutting heights from .5 to 3 inches.

---

#### Schulte Industries

The FX180 rotary cutter features a 7-gauge, continuously welded deck; Super Suction .5-by-4-inch blades with 6.5-inch overlap; and high blade tip speeds.

---

#### Swisher

The T-66 Trailmower has three Gator Mulcher blades, 66-inch deck, 20 hp Briggs & Stratton engine, universal articulating hitch and 2-gallon fuel tank.

---

You'll find product focuses on Utility Vehicles & Attachments, Skid Steers & Attachments and Software in the May issue of *Turf*.
