✖ Registration is now open for the [North Carolina Nursery and Landscape Association](#) (NCNLA) [Green & Growin'](#) 2016 conference. The annual education conference and marketplace, which draws nearly 5,000 green industry professionals across the country, will be held January 11-15, 2016 in Greensboro, NC.

This year's education program will provide over 80 business sessions and 140 CEU credits toward 8 different accreditations at the national, regional and state levels. There will be a mix of hands-on workshops, top speakers and specialty classes and industry networking.

With 150,000 square feet of the industry's top businesses and professionals, the Green & Growin' Marketplace has become known as the place "Where Plant Buyers Buy Plants." The 2016 Marketplace offers attendees the opportunity to see and buy products from a broad array of industry producers and suppliers.
