

Takeuchi-US Announces New Southwest Regional Product Manager

Source: www.TurfMagazine.com

Takeuchi-US has appointed Hampton Wideman to the position of regional product manager.

In his new position, Hampton will be responsible for all development and activity for equipment sales within the Southwest region. His primary goals include product training for dealer sales staff, assisting with equipment demonstrations, and interaction with end users.

With over 25 years of experience in leading operations, business development and business planning with regional and national companies, Wideman is a solutions oriented manager with a hands-on approach that will fully support increased productivity and growth.
