### **Move Heavy Loads with Ease**

The OxCart utility cart is designed to move heavy loads with a riding mower, and features a power-assist lift to reduce dumping effort by up to 90 percent. It features run-flat tractor-grade turf tires to move heavy loads rut-free across turf, lawns and gardens, and has an offset dump

✖ pivot, eliminating harsh and abrupt dump release caused by heavy loads shifting.

An innovative feature is a side dump that rotates 110 degrees from either direction, making it safe to place heavy loads exactly where they were meant to go.

For more information, visit <http://www.oxcart.com>.

### **M0-DECK Now Available in Larger Size**

MDI Products now offers a 1-gallon container for its M0-DECK anti-stick product in response to requests that the product can be put into a pump-up sprayer. The 1-gallon container allows for spraying larger areas much

✖ quicker than using the 11-ounce spray can. Expanded uses include spraying shovels, trench diggers, tractor buckets, rock hounds and anything that wet grass or mud will stick to.

For details, visit <http://www.mo-deck.com>.
